Dear Valued Customers,

Following Prime Minister Tan Sri Muhyiddin Bin Haji Muhammad Yassin's address to the nation late yesterday evening on the restriction of public movements and gatherings, we would like to clarify that the Malaysian Government is implementing Movement Control Order and *not* a Lock Down.

This control order is made under the Prevention and Control of Infectious Diseases Act 1988 and the Police Act 1967.

The Act requires closure of all government and private premises EXCEPT those involved in Essential Services, it is our current understanding that Malaysian Domestic Shipping lines does in fact fall into the exemption category.

MTT Shipping will operate business as usual for all intents and purposes until further notice whilst we seek clarification from related government agencies.

MTT Shipping will continue to monitor the situation on an ongoing basis and to take all necessary measures in accordance to guidelines by our government and all relevant government agencies to ensure the safety of our customers, colleagues and family members.

Please be assured, that MTT Shipping will continue to provide updates as the situation evolves.

Thank you for your understanding and support.

Yours Sincerely,
MTT Shipping Sdn. Bhd.
